A Message from Our President

the
HAPPENING

My Fellow Fagowees,

It looks like we have found a new home!!! We will now have all of our formal meetings at the VFW Post 1974 in Parma. The address of the hall is 4305 Woodrow Ave., Parma, OH 44130. Thank you to Bruce and Ivette V and Mike G for finding the hall. It is a nice hall. It is plenty big enough to hold our meetings. It has a big kitchen with a lot of kitchen utensils we can use. There is a storage room for all of our stuff we don't want to carry. The hall has a stage for our shot skis. Nice bathrooms. And, most of all, the hall has a large bar!!! We are now in search of a couple of Kegeators. So, if you know of somewhere to find some cheap Kegeators, or some alternative way of keeping our beer cold let me know!

February 20 we will have a ski and snowboard swap, and tuning party. If you have ski and/or snowboard equipment that you no longer use, bring it in to the meeting. We will try to have ski tuners at the meeting to educate people that would like to know how.

The Fagowees have been doing well at the CMSC races. We are in close competition with the Snowballers ski club. Let's keep up the tradition of coming in first every year. We need a good Fagowees turnout at the weekend races. Look further in the newsletter for the dates of the races. Also, don't forget every Wednesday night there are races that start at 7PM at Boston Mills. If you want to race, get in touch with one of our race committee members; Jered P, Larry F, or Mike K. I hope to see you at one of the races. They are always a good time.

There is no race scheduled for Presidents Day weekend, so let's go get some culture in our life and attend a play. We have group going on Saturday February 17 to the Near West Theater to see the play Aida. These are always fun to attend. See the advertisement later in the Newsletter. If attending a play isn't your thing, then there is a JIFFI skate planned for Tuesday, February 27. We will be ice skating at Halloran Ice Skating Rink. It costs 25 cents to ice skate. Come on and join us and watch me make a fool of myself! Contact Vonne or Naynay for more information.

I hope to see you guys on the slopes!

Cheers!
Don

Fagowee of the Month!

Cleveland Metro Ski Council CMSC

I am the representative/delegate for the Fagowees Ski Club to the Council. The delegates meet on the first Thursday of the month with the Executive Board, Trustees, and various chair positions. We meet to discuss issues to the 25 or so clubs who comprise this Council. Any member is always welcome to attend these meetings and is encouraged to do so. Several Fagowees members have asked me why they have not received their copy of the Sitzmark in the mail. This Council publication is now only on the website. Printed copies are being distributed to area ski shops.

In order to read the latest and earlier issues you will need to go to www.skicleveland.com and click on the drop-down box entitled "About Us" and click on publications. On the right side of the page are the quarterly issues. Anyone wishing to submit an article can do and the website details how this is done. If you have any questions about our Council please let me know and I will do my best to have them answered.

The triumphant love story between an Egyptian prince and a slave transcends warring nations and brings a country together. Winner of four 2000 Tony Awards, *Elton John and Tim Rice's Aida* is an epic tale of love, loyalty and betrayal, chronicling the love triangle between Aida, a Nubian princess stolen from her country, Amneris, an Egyptian princess, and Radames, the soldier they both love.

Washington D.C. Fagowees Trip....

BRSC WESTERN CARNIVAL, FEB 3-10, 2018 Presents ~

Whistler Blackcomb Ski Resort: *"#1 Three Years Running!"*

This resort area was originally known as "London Mountain" and only officially became Whistler in 1965. ... There are two great mountains for skiers and snowboarders: Whistler Mountain and Blackcomb Mountain. Thanks to the glaciers in the area, ski season often lasts into August. Whistler Mountain is a mountain in the Fitzsimmons Range of the Pacific Ranges of the Coast Mountains, located on the northwestern edge of Garibaldi Provincial Park. It is the location of the Whistler-Blackcomb ski resort and the town of Whistler, British Columbia.

Whistler Canada is the largest ski resort in North America and the biggest ski area in the world outside of Europe. Whistler Blackcomb ski resort consists of the interconnected Whistler Mountain and Blackcomb Mountain, and it has an incredible 8,171 acres (3,307 hectares) of terrain, a huge vertical drop of 1,609 meters (1 mile), over 200 marked trails, and plenty of off-piste opportunities. The Whistler ski resort is so big that instead of having a trail map, they have an atlas!

The skiing and snowboarding terrain varies incredibly from gentle slopes and wide groomed cruisers to tree skiing, steep alpine bowls, couloirs and terrain parks. No other resort offers so much variety. Whistler Resort is suitable for all types of skiers and snowboarders, from first-timers to extreme riders who want to ride hair-raising steeps.

What to do in and around the Whistler Blackcomb area if you are not a skier or boarder? A sample of other Whistler winter activities includes snowmobiling, zip-lining, dog sledding, fondue dinners, tubing, ice-skating, and day spas, and of course there's the famous Whistler shopping.

In addition, other best skiing in Canada awards for Whistler Canada are:

- ❖ Top overall ski resort in Canada
- ❖ Best après, nightlife and restaurants
- ❖ Best ski shops
