

the
HAPPENING

My Fellow Fagowees,

Where the FaGoWee?

If you haven't heard by now, Ampol Halls has closed its doors. That means we are looking for a new place to hold our formal meetings. Last month we tried the meeting room on the 2nd floor of the Tradesman tavern in Parma. It wasn't a bad space, but it was a bit too small and way too noisy! So, we will try another location for the upcoming meeting. We will hold our October 3 meeting at the Sachsenheim Hall on Denison Ave. in Cleveland. It is an interesting hall with different meeting rooms and a bar.

A couple of Sundays ago Lisa and John G, Renae D, Erik F, Mike G and myself cleared all our stuff out of Ampol Halls. We had a good time moving all our supplies and drinking the warm beer that was left in the taps in the bar (Hey, we are Fagowees! We don't let beer go to waste!!!) All of the supplies were vetted, and a few (lots) things were thrown out. Our supplies are now scattered about the Cleveland area until we can find a new place to store them. Even the disco ball was taken from the meeting hall. We had a hard time getting Mike G to leave the building.

We will continue to look for a new location to have our formal meetings. If you have any ideas, please forward them to me. You can email, text, or call me. We will try to investigate them all. Until then, we might be on a revolving list of places to hold our meetings. Hopefully, we will find a location quickly! Thanks for your patience!!!

Fagowee of the Month!

This month’s Fagowee of the month goes to a newer member of our club. He has an amazing taste in cars. He is a member of the United States Army. He gets to see many new places in his line of travel for work. He is a fun and adventurous person to be around. Most recently, on the white water rafting trip, he stepped up and helped out everyone with set up and tear down. He gives a helping hand at the meetings too when needed! Congratulations! Mike Zeno, you are this month’s Fagowee of the Month!

BRSC WESTERN CARNIVAL, FEB 3-10, 2018 Presents ~

Whistler Blackcomb Ski Resort: *"#1 Three Years Running!"*

This resort area was originally known as "London Mountain" and only officially became Whistler in 1965. ... There are two great mountains for skiers and snowboarders: Whistler Mountain and Blackcomb Mountain. Thanks to the glaciers in the area, ski season often lasts into August. Whistler Mountain is a mountain in the Fitzsimmons Range of the Pacific Ranges of the Coast Mountains, located on the northwestern edge of Garibaldi Provincial Park. It is the location of the Whistler-Blackcomb ski resort and the town of Whistler, British Columbia.

Whistler Canada is the largest ski resort in North America and the biggest ski area in the world outside of Europe. Whistler Blackcomb ski resort consists of the interconnected Whistler Mountain and Blackcomb Mountain, and it has an incredible 8,171 acres (3,307 hectares) of terrain, a huge vertical drop of 1,609 meters (1 mile), over 200 marked trails, and plenty of off-piste opportunities. The Whistler ski resort is so big that instead of having a trail map, they have an atlas!

The skiing and snowboarding terrain varies incredibly from gentle slopes and wide groomed cruisers to tree skiing, steep alpine bowls, couloirs and terrain parks. No other resort offers so much variety. Whistler Resort is suitable for all types of skiers and snowboarders, from first-timers to extreme riders who want to ride hair-raising steeps.

What to do in and around the Whistler Blackcomb area if you are not a skier or boarder? A sample of other Whistler winter activities includes snowmobiling, zip-lining, dog sledding, fondue dinners, tubing, ice-skating, and day spas, and of course there's the famous Whistler shopping.

In addition, other best skiing in Canada awards for Whistler Canada are:

- ❖ Top overall ski resort in Canada
- ❖ Best après, nightlife and restaurants
- ❖ Best ski shops
