## A Message from Our President

# the HAPPENING

### **My Fellow Fagowees,**

I hope everybody had a good Thanksgiving with plenty to eat. Christmas is coming up pretty quick; maybe we will see some snow pretty soon!!! Get your skis tuned up if they aren't already.

The search continues for a new meeting location. The location for the meeting on December 5 will be back at the Parma VFW post 1974. The hall is located at 4305 Woodrow Ave. We had a lot of favorable responses the last time we had the meeting here. Let me know what you think about the location. We will have cans of beer at the hall and charge the normal admission fee to get in the meeting. Again, if you have any ideas about a hall you like please forward them to me.

This Friday, December 8 we will be hosting a Key and Get To Know Us party at the West End Tavern in Lakewood. Come on out and let's have a great time! The following afternoon at 2PM right around the corner from the West End Tavern at the Around the Corner Bar we will be having a Holiday Jiffi. It's the Cleveland Ugly Christmas Sweater Bar Crawl. The bar crawl includes the Around the Corner bar, Harry Buffalo, Vosh, Riverwood Cafe, Avenue Tap House, and the West End Tavern again.

We have plenty of ski trips scheduled. January 19-21 will be Swain One. This is a drive-up weekend ski trip, and includes a two night stay in Swain. Wednesday, January 24 is a Holiday Valley bus day trip. Beer, wine, pizza will be provided on the bus trip. On Friday, February 2 we will have a Seven Springs bus day trip. It's Ground Hog's Day and wear your pajamas on the bus! Beverages will be provided on the bus. February 9-11 will be the Kissing Bridge/Holiday Valley bus trip. Food, beer, and wine will again be included on the bus, plus there will be a Saturday night bus party to Ellicottville. The following Wednesday, February 14, will be a bus day trip to Holimont. Tony's famous Après ski cookout will follow the fun day of skiing. February 23-25 will be the Swain Two drive-up weekend ski trip. March 2-4 will be the Bristol Combined weekend bus trip. Decent beer and somewhat decent wine be included on the bus trip (what? isn't decent beer and wine always included!). Then on March 11-18 there will be the Snowmass Ski In / Ski Out blowout!!!

There have been a lot of ski trips scheduled. The snow should start flying any day now! It's going to be a great year of Fagowees ski trips!!! Book yours today!

I hope to see you out on the slopes. Have a great Christmas and New Years!!!

Cheers,  
Don

## Cleveland Metro Ski Council      CMSC

I am the representative/delegate for the Fagowees Ski Club to the Council. The delegates meet on the first Thursday of the month with the Executive Board, Trustees, and various chair positions. We meet to discuss issues to the 25 or so clubs who comprise this Council. Any member is always welcome to attend these meetings and is encouraged to do so. Several Fagowees members have asked me why they have not received their copy of the Sitzmark in the mail. This Council publication is now only on the website. Printed copies are being distributed to area ski shops.

In order to read the latest and earlier issues you will need to go to [www.skicleveland.com](http://www.skicleveland.com) and click on the drop down box entitled "About Us" and click on publications. On the right side of the page are the quarterly issues. Anyone wishing to submit an article can do and the website details how this is done. If you have any questions about our Council please let me know and I will do my best to have them answered.

## BRSC WESTERN CARNIVAL, FEB 3-10, 2018 Presents ~

### Whistler Blackcomb Ski Resort: *"#1 Three Years Running!"*

This resort area was originally known as "London Mountain" and only officially became Whistler in 1965. ... There are two great mountains for skiers and snowboarders: Whistler Mountain and Blackcomb Mountain. Thanks to the glaciers in the area, ski season often lasts into August. Whistler Mountain is a mountain in the Fitzsimmons Range of the Pacific Ranges of the Coast Mountains, located on the northwestern edge of Garibaldi Provincial Park. It is the location of the Whistler-Blackcomb ski resort and the town of Whistler, British Columbia.

Whistler Canada is the largest ski resort in North America and the biggest ski area in the world outside of Europe. Whistler Blackcomb ski resort consists of the interconnected Whistler Mountain and Blackcomb Mountain, and it has an incredible 8,171 acres (3,307 hectares) of terrain, a huge vertical drop of 1,609 meters (1 mile), over 200 marked trails, and plenty of off-piste opportunities. The Whistler ski resort is so big that instead of having a trail map, they have an atlas!

The skiing and snowboarding terrain varies incredibly from gentle slopes and wide groomed cruisers to tree skiing, steep alpine bowls, couloirs and terrain parks. No other resort offers so much variety. Whistler Resort is suitable for all types of skiers and snowboarders, from first-timers to extreme riders who want to ride hair-raising steeps.

What to do in and around the Whistler Blackcomb area if you are not a skier or boarder? A sample of other Whistler winter activities includes snowmobiling, zip-lining, dog sledding, fondue dinners, tubing, ice-skating, and day spas, and of course there's the famous Whistler shopping.

In addition, other best skiing in Canada awards for Whistler Canada are:

- ❖ Top overall ski resort in Canada
- ❖ Best après, nightlife and restaurants
- ❖ Best ski shops
